COMMENCEMENT CEREMONY

The exercises of the one hundred and seventh annual commencement are enacted today at the University of Kentucky. The counterpart of the pageantry is enacted each year on campuses all over the world. It is the solemn climax and recognition of the graduates' years of study and preparation for responsibility.

The following description of the academic pageantry is provided for your interest.

PROCESSION

The procession, which forms on the Avenue of Champions, will enter the Coliseum through the south entrance. It is led by the University Marshal and followed by the Color Guard carrying the National and State flags and the University banner. The University Marshal bears the ceremonial mace, emblematic of the endorsement of the State and the University. Led by Assistant Marshals, the candidates march behind the identification banner of the respective colleges which recommended them for their degrees.

The order of march is as follows:

The candidates for advanced degrees to include

- Graduate School
- College of Law
- College of Medicine
- College of Dentistry

The candidates for degrees:

- College of Arts and Sciences
- College of Agriculture
- College of Engineering
- College of Education
- College of Business and Economics
- College of Pharmacy
- College of Nursing
- College of Architecture
- College of Allied Health Professions
- College of Home Economics
- College of Library Science
- College of Social Professions

As the candidates reach their seats, the members of the faculty of the University of Kentucky march into the Coliseum wearing the colorful hoods of the colleges and universities from which they were graduated. The climax of the procession brings to the platform the Trustees of the University, the Deans of the various colleges, honorary degree recipients, alumni award recipients, University of Kentucky Research Foundation faculty research award recipients, Philip D. and Elsie O. Sang award recipient, Sullivan award recipients, the Vice Presidents, guests, state officials, and finally, the President of the University. The Trustees of the University can be identified by their blue gowns with white panels. They wear blue caps with blue tassels.

ACADEMIC ATTIRE

All candidates for degrees and those who hold these degrees, including University officials, faculty, and visiting dignitaries, are attired in traditional cap and gown. The basic color for most caps and gowns is formal black. However, recipients of different degrees wear distinctive tassels on their caps (called mortarboards) and hoods of various hues draped down the backs of the gowns.

CAPS

Candidates for Bachelors' and Masters' degrees wear the regulation cap with the tassel appropriate to the school or division from which they are being graduated, with the exception of those who already hold Doctors' degrees and are privileged to wear gold tassels. Except during the positioning of the Colors, the playing of the National Anthem, and prayers, men in academic regalia are requested to wear their caps. The authorized list of tassel colors follows:

Arts and Sciences—Black	Medicine—Green
Agriculture—Maize	Nursing—Apricot
Engineering—Orange	Dentistry—Lilac
Law—Purple	Architecture—Brown
Education—Light Blue	Allied Health Professions—Light Green
Business and Economics—Drab	Home Economics—Maroon
Pharmacy—Olive Green	Library Science—Lemon
	Social Professions—Citron

GOWNS

The gown for the Bachelor's degree has pointed sleeves. It is designed to be worn closed. The gown for the Master's degree has an oblong sleeve, open at the wrist, like the others. The sleeve base hangs down in the traditional manner. The rear part of its oblong shape is square cut and the front part has an arc cut away. The gown is designed and supplied with fasteners so that it may be worn open or closed. The gown for the Doctor's degree has a bell-shaped sleeve on which are three velvet bars (usually black but sometimes other colors depending on the degree).

HOODS

The Bachelor's hood is rather short with a narrow velvet edging of the appropriate color (see list under tassels) and a lining in the color or colors of the institution—blue and white at Kentucky.

The Master's hood is considerably longer, has a wider velvet edging, and exposes more of the lining. The outside velvet trim color designates the degree which the person is receiving.

The Doctor's hood is easily recognized by the width of the velvet edging, the wide panels at either side, the greater length, and the full exposure of the lining. The colors of the edging most frequently seen are blue for philosophy, green for medicine, and purple for laws; the colors for the honorary Doctors' degrees are purple for laws, white for letters, and golden yellow for science.

Candidates for honorary degrees do not wear the hood until after the degree has been conferred; part of the ceremony of admitting a candidate to his honorary degree consists in his being formally invested with the hood.

ALMA MATER*

Hail Kentucky, Alma Mater!
Loyal sons and daughters sing;
Sound her praise with voice united;
To the breeze her colors fling.
To the blue and white be true;
Badge triumphant age on age;
Blue, the sky that o'er us bends;
White, Kentucky's stainless page.

Hail thee ever, old Kentucky!
Glorious is thy heritage;
Proud thy name and thy traditions;
Proud thy place on history's page!
May we ne'er forget thy fame
Mother of the great and free;
May we 'er uphold thy name,
Old Kentucky, hail to thee!

* Words by Josephine Funkhouser
Music by Carl A. Lampert

THE NATIONAL ANTHEM

Oh Say! can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watch'd, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh, say does that Star-spangled Banner yet wave
O'er the land of the free and the home of the brave?

Charge to the Graduating Class

On this Commencement day you stand in a new relation to the University, to the State and to Life. The University that has given you of its store of learning looks upon you as its sons and daughters. The State now conceives of you as citizens, well prepared to do your part in the government, development and guidance of the Commonwealth.

If what you have learned while here has given you larger intellectual interests, and widened your powers of understanding, the University feels a part of its duty done, and if in the doing character has become your possession and a part of your moral fiber, the State is satisfied with its investment of men and money.

The University trusts you have learned to approach problems with open minds, to set aside prejudice in your judgment of men and affairs. It hopes that you will shun evil in all its forms and be ready to strive for what is right.

May you have in your declining years, material comfort, the respect of your fellow citizens, the feeling of work well done, and a spiritual and intellectual interest in human life.

Meantime, the University's honor is your honor. In your acts and deeds you now reflect your heritage. To your fellow man, the University is measured by your character, by your deeds, by the company you keep. It is in this spirit that the University calls upon you to be true to the larger things of life, to be men and women of courage, integrity, sympathy, and gentleness.

By the granting of the degree you have been admitted to the fraternity of letters, and to the larger fellowship of the University. It is right and fitting that you should stand and solemnly raising your right hand repeat this pledge with me:
